JUL 11 1958

**MEMORANDUM FOR:** Deputy Director (Intelligence)  
Deputy Director (Plans)

**SUBJECT:** Advance Notice of Proposed Termination of  
Consultant Contracts

1. Present procedures require the prior approval of the Director of Central Intelligence of the employment of an individual in a consultant capacity. The Director has requested that he be consulted before consultant contracts are terminated as well.

2. Most such terminations are effected by non-renewal of consultant contracts although they are occasionally effected by special action during a contract term. In either case, it is requested that future notices to the Office of Personnel to terminate or discontinue a consultant's contract include a statement that the matter has been brought to the Director's attention.
